

FALCONRY EXPERIENCE FOR 6

Join master falconer Antonio Balestreri at the former Fort Ord property for an intimate 2-hour introduction to the ancient sport of falconry. Learn about falcons, hawks, and owls and their important role in our environment. Meet the Peregrine Falcon, the world's fastest animal; the Great Horned Owl, one of nature's deadliest yet beautiful predators; and the Harris's Hawk, the most intelligent of raptors, as it launches from a nearby tree and glides towards your outstretched glove. Get up close and personal with these and other fascinating birds of prey for an experience you will never forget.
